Enjoy a feast of musical highlights from the Choir's past decade, spanning ten centuries.

An uplifting chorus by Bach's contemporary Zelenka and some folk song arrangements introduce our guest Wind Quintet, flute, oboe, clarinet, French horn and bassoon.

They'll entertain with music by Suk and Martinů, and the world premiere of Donald Judge's depiction of an eventful picnic in Bohemia: *Raining on the Vltava*.

From the world of opera, there's Mozart and Purcell at their finest, and Carissimi depicting Jonah in the belly of the whale and Nineveh seeing the light.

In a jazzy number Jonah makes a surprise call on Bollington, before all the musicians join in *The Bolly Flyer* that marked the 150th Anniversary of the railway coming to Bollington!
